Article III MEETINGS OF MEMBERS

Section 3.01. **MEMBER ACTION.**

- a. Except as otherwise provided by Law or the Governing Documents, Members may not take any action relating to the Cooperative except at an annual meeting of the Members (“Annual Member Meeting”) or at a special meeting of the Members (“Special Member Meeting”), either or both of which may be referred to as “Member Meeting.”
- b. To avoid waiting until the next Member Meeting for the Members to approve minutes of a Member Meeting, the Board shall be authorized to approve the minutes of Member Meetings. Such approved minutes shall be promptly posted on the Cooperative’s website.

Section 3.02. **ANNUAL MEETINGS.** An Annual Member Meeting shall be held each year on a date and at such a time and place within a county served by the Cooperative, as selected by the Board and which shall be designated in the notice of the Annual Member Meeting, for the purpose of electing Directors, receiving and voting at the Member Meeting upon reports for the previous fiscal year, and transacting such other business as may come before that meeting. It shall be the responsibility of the Board to make adequate plans and preparations for the Annual Member Meeting. Failure to hold the Annual Member Meeting at the designated time shall not cause a forfeiture or dissolution of the Cooperative.

Section 3.03. **SPECIAL MEETINGS.** A Special Member Meeting may be called by: (a) the Chairman, (b) resolution passed by a majority of the Board, or (c) written request signed by at least ten percent (10%) of all the Members; and it shall thereupon be the duty of the C&E Committee to cause notice of such meeting to be sent, as provided in Subsection 3.04, a, to each Member eligible to vote at that meeting. A Special Member Meeting may be held at any place within one of the counties served by the Cooperative, as designated by the Board and shall be specified in the notice of the Special Member Meeting. The agenda of the meeting shall be limited to the items set forth in the notice of the meeting.

Section 3.04. **NOTICE OF MEMBER MEETINGS.**

- a. ***Time and Manner of Giving Notice.*** The C&E Committee shall cause notice,

approved by the Secretary or Assistant Secretary of the Cooperative, of each Member Meeting, stating the place, day and hour of the meeting, and in case of a Special Member Meeting the purpose for which the meeting is called, to be sent, either with or without other documents, to each Member eligible to vote at that meeting, not less than ten (10) and not more than ninety (90) days before the date of the meeting, by either:

- 1) Depositing such notice in the United States mails with postage prepaid (“Mail”), addressed to the Member at his mailing address as it appears on the records of the Cooperative on the Record Date; or
- 2) Providing such notice by any form of communication, not directly involving the physical transmission of paper, that creates a record that: (a) may be retained, retrieved, and reviewed by a recipient of the communication; and (b) may be reproduced directly in paper form by a recipient through an automated process (collectively “Electronic Transmission”), addressed to the Member at his address for purposes of receiving Electronic Transmissions as it appears on the records of the Cooperative on the Record Date, all as required by the Corporations Article of the Maryland Code.

The good faith, inadvertent, and unintended failure of one or more Members to receive notice of a Member Meeting does not affect an action taken at that Member Meeting.

- b. **Ballot.** A notice of a Member Meeting, required to be sent by Subsection a of this Section, shall include a copy of any ballot required by Section 3.12 (Ballots).
- c. **Delivery of Notice.** For purposes of this Section, notice of a Member Meeting is delivered to a Member as follows:
 - 1) When deposited in the United States mails if in writing, sent by Mail and addressed to that Member as required;
 - 2) When electronically transmitted from the sender if sent by Electronic Transmission, and addressed to that Member’s electronic address as required; provided that if the Cooperative has received a written and signed request from that Member that notice not be sent by Electronic Transmission, then the Cooperative may not thereafter rely on the above presumption of receipt by that Member via Electronic Transmission unless such request is later rescinded in a signed writing by that Member delivered to the Cooperative; or
 - 3) When personally delivered to that Member in writing if sent in any other manner.

- d. ***Evidence of Notice Given.*** An affidavit by a member of the C&E Committee or other agent of the Cooperative that notice has been sent and/or otherwise given, describing the manner in which notice was sent or otherwise given shall, in the absence of actual fraud, be prima facie evidence of the facts stated in the affidavit.
- e. ***Waiver of Notice:***
 - 1) A Person entitled to notice of a Member Meeting may waive notice in writing or by Electronic Transmission either before or after the meeting.
 - 2) If a Person entitled to notice of a meeting attends the meeting, the person's presence shall constitute a waiver of notice of the meeting, unless the person participates in the meeting solely to object to the transaction of any business because the meeting has not been legally called or convened.
 - 3) If a Person, who is authorized to vote on behalf of a Member entitled to notice of a Member Meeting, votes on behalf of that Member in any manner permitted by these Bylaws on any matter submitted to a vote of the Members at a Member Meeting, then that Member's vote shall constitute a waiver by that Member of notice of that Member Meeting.

Section 3.05. **RECORD DATE.**

- a. A "Record Date" is the date and time for determining the total number of Members as of the Record Date, and the identity of each Member who is, due to his Membership on the Record Date, entitled to the following relative to the Member Meeting to which the Record Date relates:
 - 1) To be sent notice and a ballot relative to that Member Meeting by the Cooperative; and
 - 2) To vote and/or otherwise exercise the rights of a Member at or in conjunction with that Member Meeting.

- 2) Except as hereafter provided to the contrary, for a Special Member Meeting, a date and time as determined by the Board not more than sixty (60) and not less than ten (10) days before the date of the Special Member Meeting to which the Record Date applies.
- c. The Record Date for a Member Meeting is effective for a Member Meeting adjourned to a date not more than one hundred twenty (120) days after the original Member Meeting date.

Section 3.07. **QUORUM.**

- a. In case the total number of Members shall exceed one thousand (1,000), then fifty (50) Members, present in person, shall constitute a quorum.

- a. The motion has been submitted in writing to the Secretary of the Cooperative and to the C&E Committee at the headquarters of the Cooperative at least one hundred sixty-five (165) days prior to the date of the Member Meeting at which the motion is to be voted on; or
- b. The motion has been recommended by the Board.

Section 3.11. **MEMBER VOTING.**

- a. If a Member presents identification or proof of Membership as reasonably required by the C&E Committee, and if the Member was a Member on the Record Date, then that Member shall be qualified and entitled to vote in matters submitted to a vote of the Members.
- b. Each Member qualified and entitled to vote shall be entitled to one (1) vote on each question or matter being submitted to a vote of the Members. Cumulative voting is not permitted.
- c. Except as otherwise provided elsewhere in these Bylaws, in the Articles or by Law, voting by a Member shall be:
 - 1) In accordance with voting rules and procedures adopted by the C&E Committee; and
 - 2) On a ballot form approved by the C&E Committee, provided to the Member by the Cooperative or its provider of Contracted Voting Service (“Voting Services Contractor”), completed by the voting Member, and received by a C&E Committee designated Committee member after the close of business on the last business day before the next Member Meeting and before the close of voting at that Member Meeting; the completed ballot having been submitted by the voting Member as follows:

- d. The Voting Services Contractor (or in absence thereof, the C&E Committee, with such assistance as it may require at the expense of the Cooperative) shall cause the votes cast on all ballots timely received from voting Members by Mail or by Electronic Transmission to be tabulated and the results of such vote tabulations to be stated in a certified document timely sent by Electronic Transmission to the C&E Committee in accordance with such policies and procedures as may be adopted from time to time by the C&E Committee to promote the orderly, secure and accurate voting and tabulation of ballots sent and received by Electronic Transmission, and sent from the same Electronic address to which the ballot was sent to the Member organization by the Cooperative.

- e. Except as otherwise provided elsewhere in these Bylaws, voting by a Member organization shall be permitted:
 - 1) By ballot, on a form approved by the C&E Committee and provided by the Cooperative or the Voting Services Contractor to the Member organization; and
 - 2) Cast by the authorized Individual in any manner as described in Subsection c of this Section.
- f. Except as otherwise provided elsewhere in these Bylaws, in the Articles or by Law, each question or matter submitted to a vote of the Members shall be decided by a majority of the Members voting thereon.

Section 3.12. BALLOTS.

- a. Prior to each Member Meeting at which a vote by the Members by ballot will occur, the C&E Committee shall prepare a paper and Electronic form ballot, cause a sufficient number thereof to be printed, and cause said ballots to be timely distributed to the Members by Mail and Electronic Transmission, with the notice of such Member Meeting.
- b. A ballot shall:
 - 1) To the extent known at the time the ballot is composed, state each matter known to be required or intended for submission to a vote by ballot of the Members at such Member Meeting, including:

completed ballot, and the address to be used to return ballots by Mail and Electronic Transmission; and

- 6) Require from Persons casting ballots such information and/or take such other reasonable precautions to deter unauthorized and fraudulent voting.
- c. The failure of any Member to receive a ballot shall not invalidate any such motion, resolution or ballot, and shall not invalidate any election or other action which may be taken by Members at any such Member Meeting.
 - d. ***Counting Ballots.***
 - 1) The mere presence of a Member at a Member Meeting shall not invalidate a ballot properly cast by that same Member for that same Member Meeting and properly received by any permitted means by the C&E Committee.
 - 2) Except as stated above in this Subsection d, in the event that multiple ballots are properly cast by or on behalf of the same Member for the same Member Meeting and properly received by the C&E Committee, only the first such ballot shall be counted in the results of the election.

Section 3.13. **ACCEPTING AND REJECTING MEMBER VOTING DOCUMENTS.** A consent, ballot, waiver of notice of a Member Meeting, or other document purporting to relate to the rights of a Member relating to a Member Meeting or a vote of the Members, and which has been executed, presented and/or submitted by or on behalf of a Member to gain admission to or participate in a Member Meeting or a vote of the Members (collectively "Member Voting Document"), may be treated by the C&E Committee on behalf of the Cooperative as follows:

- a. The C&E Committee may use such identification and security methods on Member Voting Documents as bar codes, and may require such evidence of identification from Members and agents of Members as a driver's license or passport, to assist in determining whether a Member Voting Document should be accepted or rejected.
- b. The C&E Committee may accept, and give effect to, a Member Voting Document if: (1) the name signed on the Member Voting Document corresponds to a Member's name, and the C&E Committee acts in good faith; or (2) the C&E Committee reasonably believes the Member Voting Document is valid and authorized.
- c. The C&E Committee may reject, and not give effect to, a Member Voting Document if the C&E Committee: (1) acts in good faith; and (2) has a reasonable basis for doubting the identity of the person presenting the Member Voting Document as a Member or as authorized by a Member, the validity of the signature on the Member Voting Document as that of a Member or authorized by a Member, and/or the validity of the signatory's authority to sign on behalf of the

Member.

- d. The C&E Committee, the members of the C&E Committee, the Cooperative, and any Member or employee of the Cooperative (“Employee”) as the result of performing services for the C&E Committee, shall not be liable to any Member for the acceptance or rejection of a Member Voting Document as provided in this Section.

Section 3.14. CREDENTIALS AND ELECTION COMMITTEE.

- a. **Committee Members.** There shall be a Credentials and Election Committee (“C&E Committee”), consisting of ten (10) members.
 - 1) **Qualifications.** Each member of the C&E Committee: (a) shall be a Member in Good Standing for at least three (3) continuous year(s) before he takes office as a committee member and continuously thereafter during his term of office; and (b) shall not be an existing Director, Director Candidate, Director Nominee, Officer or Employee, or a Close Relative of any of them. For the purposes of these Bylaws, a “Close Relative” to an Individual is another Individual who: (1) by blood, law or marriage, is a spouse, child, sibling, parent, aunt, uncle, niece, nephew, grandchild, grandparent, in-law or half, step, foster or adoptive relative of the first Individual; or (2) resides in the same dwelling with the first Individual.

The same requirement of residency and determination of place of Principal Residence that apply to a Director shall apply as to a member of the C&E Committee.
 - 3) **Rotating Terms.** Each Individual who was duly appointed, qualified and serving as a member of the C&E Committee when these Bylaws were adopted is hereby appointed to a term on the C&E Committee that shall begin at the date and time of such adoption and shall continue, unless he is sooner disqualified, until his successor from the same Director District is appointed and qualifies to serve on the C&E Committee. Thereafter, the members of the C&E Committee shall be appointed by the Board to serve a three (3) year term on the C&E Committee, each beginning on August 1 and ending on July 31 three (3) years thereafter or until his successor is appointed and qualifies to serve, with each such term to begin as follows:
 - a) The terms of the C&E Committee members who were appointed to the C&E Committee from the Dorchester, Kent, and Queen Anne’s

County Director Districts when these Bylaws were adopted shall end on July 31, 2018. The successors of those C&E Committee members shall be appointed from the same county to the C&E Committee for a three (3) year term beginning on August 1, 2018 and on August 1 every three (3) years thereafter.

b) The terms of the current C&E Committee members who were appointed from the Caroline, Wicomico and Worcester County Director Districts when these Bylaws were adopted shall end on July 31, 2019. The successors of those C&E Committee members shall be appointed from the same county to the C&E Committee for a three (3) year term beginning on August 1, 2019 and on August 1 every three (3) years thereafter.

c) The terms of the current C&E Committee members who were appointed from the Cecil, Somerset, and Talbot County Director Districts when these Bylaws were adopted and the term of a newly appointed C&E Committee member from the Ocean Pines Director District shall end on July 31, 2020. The successors of those C&E Committee members shall be appointed from the same county to the C&E Committee for a three (3) year term beginning on August 1, 2020 and on August 1 every three (3) years thereafter.

4) ***Disqualification.*** The Board shall have the power to disqualify a C&E Committee member for cause by the affirmative vote of at least two-thirds (2/3) of the Directors physically present at or participating in a Board Meeting as permitted by Section 5.06, a, 2), after following the procedures equivalent to those described in Section 4.09, a.

5) ***Effect Of Committee Member Being Subject To Removal.*** The fact that a member of the C&E Committee fails to meet the qualifications prescribed by these Bylaws to be a member of that committee or the existence of any other grounds for removal of a member of that committee, and the fact that such committee member is subject to removal under any Section of this Article, shall not affect the validity of any action taken by that committee while that committee member was a member of that committee and participated in such action by that committee.

6) ***Vacancies on the C&E Committee.***

a) ***Vacancies.*** A vacancy exists on the C&E Committee upon: (1) the death of a member of the committee; (2) the written and signed resignation of a member of the committee delivered to the Board, the Chairman of the Board or to the President & CEO, which shall be effective upon its delivery as stated above unless a different effective date is specified in the resignation; (3) the scheduled

appointment of a committee member did not occur as provided in Subsection a, 3) of this Section; (4) the disqualification of a committee member by the Board in accordance with Subsection a, 5) of this Section; or (5) an increase in the number of members on the committee.

- b) ***Filling of Vacancies.*** If a vacancy occurs on the C&E Committee the Board shall appoint a member of the committee to: (1) fill the vacancy for the remainder of the term for which the vacating committee member was appointed; (2) fill the full term from a Director District from which no committee member was appointed; or (3) fill the initial term in the case of an increase in the number of members of the committee.

- 7) ***Committee Purpose and Authority.*** The exclusive supervision and control of elections by the Members is placed in the C&E Committee to further the cooperative principles of transparency, accountability, and democratic Member control, and to avoid the actual or appearance of influence by the Board and Officers on such elections.

- 8) ***Compensation.*** As determined by the Board, the Cooperative may reasonably compensate and reimburse C&E Committee members.

- b. ***Committee Duties.*** During, or within a reasonable time before or after, the Member Meeting for which the C&E Committee was appointed or reappointed, the C&E Committee shall:

 - 5) Subject to the Limitations and Procedures described in Subsection c of this Section, timely consider and decide the types of questions, issues, or

disputes that must be finally decided before or at a Member Meeting in order for an election by the Members to be conducted and be decided at that meeting (collectively "Election Issues");

- 6) Oversee or supervise Member voting in person, by Mail and by Electronic Transmission; and
- 7) Tabulate, certify and announce at the Member Meeting, or as soon thereafter as practical, the number of votes cast in favor of and against each matter or question submitted to a vote of the Members, and the number of votes cast for each Director Nominee on the ballot.

c. ***Resolution of Election Issues.***

- 1) The Election Issues include, but are not limited to, the following relating to an election scheduled to be conducted at a Member Meeting:
 - a) The review and approval or disapproval of Nominating Petitions, and the Director Nominees to be included on the ballot, in accordance with Section 4.05;
 - b) The determination of whether a Director Nominee or newly elected Director meets all of the director qualifications, as described in Section 4.03 (Composition) and Section 4.04 (Qualifications) (collectively "Director Qualifications");
 - c) Issues relating to Member registration, quorum and voting, including the identification and Membership status of Members, the authority and identification of representatives voting for Member organizations, the number of Members present, the validity of ballots sent and received by the Cooperative by Mail or Electronic Transmission, and disposition of multiple ballots cast by or for the same Member; and
 - d) The tabulation or count of ballots, including the determination of vote results.
- 2) ***Limitations.*** All initial decisions of the C&E Committee relating to Election Issues shall be final, except that a Member who is directly affected by such a decision in a way that is different from the way in which other Members in general may be affected, such as, by way of example, a Member who has been disqualified from voting, a Member whose Nominating Petition has been determined to be incomplete, or a Director Nominee who is determined to not have satisfied the Director Qualifications, may challenge such a decision by the C&E Committee ("Member Challenge"), provided that:

- a) A Member Challenge shall be filed in writing with the C&E Committee within ten (10) days of the date of the decision by the C&E Committee that is being challenged, stating all reasons and factual bases for the challenge.
- b) A Member Challenge shall be reasonably capable of being addressed and decided by the C&E Committee, and such Member Challenge is in fact addressed and decided by the C&E Committee, before the time has passed when the right which is sought to be preserved or reinstated by the Member Challenge can be timely exercised according to these Bylaws and applicable Maryland law without causing or requiring either of the following in order for the Member Challenger or any other Member to satisfy a requirement of these Bylaws relative to the election to which such Member Challenge relates:
 - (1) A delay in such election; or
 - (2) A violation or delay of any deadline or requirement relating to such election.
- c) If a decision by the C&E Committee is timely challenged, then the C&E Committee shall schedule a meeting to determine, based on the written challenge, whether the Member Challenge is reasonably capable of being addressed and decided by the C&E Committee while the action sought by the challenge would be timely to the election process, and to notify the Member(s) with standing who have challenged the decision as to whether, and if so when, a hearing on the challenge will be conducted by the C&E Committee.
- d) If a hearing on the challenge is scheduled, then at such hearing the C&E Committee shall:
 - (1) Receive oral or written evidence from the challenging Member(s), or legal counsel representing such Member(s); and
 - (2) Consider, decide, and rule on the Member Challenge, stating the reasons therefor.
- e) The C&E Committee's decision regarding a Member Challenge shall be final.
- f) The failure of the Cooperative or the C&E Committee to act as

required by this Section shall not, by itself, affect any vote, any Director election, or any other action taken at a Member Meeting.

- 3) **Procedures:** In reconsideration of an Election Issue, the C&E Committee may meet, consider, or decide Election Issues, or otherwise act, only if a majority of the C&E Committee members are present. Approval by the C&E Committee of a proposed decision or action requires a vote in favor thereof by a majority of the C&E Committee members voting thereon. Except as otherwise provided by Law or in this Section, C&E Committee decisions or actions during, or within a reasonable time before or after a Member Meeting, so as not to delay an election or substantially delay the determination and announcement of election results, are final. At the Cooperative's expense, the Cooperative shall make legal counsel available to the C&E Committee.
- d. The Cooperative may dispose of all records relating to a vote by Members at any time at least sixty (60) days after the final vote has occurred, and all Election Issues, Election Challenges, and judicial rights and proceedings, related thereto have been exhausted.
