

UNIVERSAL SERVICE PROGRAM CHARGE

APPLICABILITY

This charge is applicable to residential, commercial, and industrial rate schedules. The charges are to recover costs of universal service programs required by the Maryland Electric Customer Choice and Competition Act of 1999, including bill assistance, low-income weatherization and the retirement of arrearages that were included prior to July 1, 2000. The charges are as follows:

SERVICE CLASSIFICATION	CHARGE
Residential	\$0.32 per month
Non-Residential	The monthly USP charge per commercial and industrial customer is stated below and is determined based on the Customer's historical annualized distribution revenue in accordance with the Commission orders.
